TRIP TO NUMURKAH.

Advantage was taken of our bye on July 2, to pay a visit to Numurkah, at the invitation of the Goulburn Valley Association, to play a representative team of the Association, in aid of the funds of the Mooroopna Hospital. A splendid trip, readily thoroughly enjoyed by all. The president (Mr. Croft McKenzie) and the secretary (Mr. L. Docker) left nothing undone to give us a real good time. Mr. McKenzie (who plays for Carlton) sacrificed his game in Melbourne in order to receive us and attend to our enjoyment. Our game on the Saturday was a record gate for the district, and resulted in a win for us, and was the means of raising nearly £200 for the hospital funds. On the following day a splendid motor trip to Cobram was organised and carried out by the football enthusiasts of the district, who gave us a splendid lunch, after which we visited the "Orange Groves"—first Mr. Sid Scott's "River View," at Cobram; then motored over the Murray into Riverina to "Ngawe," another splendid "grove" under the management of Mr. Rossitter. Both of these gentlemen welcomed us most hospitably and kept open house for our party as far as oranges were concerned. Mrs. Scott also was most anxious that we should enjoy ourselves whilst visiting her picturesque home, and ably seconded her husband's warm welcome. Needless to say, the "boys" took full advantage at both places of their host's hospitality, and returned to Numurkah loaded, inside and outside, with souvenirs of their grand trip, in the shape of beautiful navel oranges. The party reached Melbourne at midday on the Monday, thoroughly satisfied with their excursion, the only regret being that time would not permit of a longer stay. A LifeGovernor's Certificate was presented to the R.F.C. by the Committee of the Mooroopna Hospital, which was unanimously voted to your Hon. Secretary, Mr. W. A. Maybury, who was also presented with a splendid travelling rug in appreciation of the way in which he carried out his duties as manager of the trip.

ENTERTAINMENTS AND CELEBRATIONS ON WINNING OUR SECOND PREMIERSHIP.

The Social Committee, with Mr. J. Cook as secretary, were very much in evidence with their monthly entertainments throughout the season, with crowded attendances on every night. Mr. E. Jones (President of St. Kilda F.C.) invited the R.F.C. Team and Committee to dinner, followed by a smoke concert, on June 25. A splendid programme was presented and a most enjoyable evening spent. Our President (Mr. Alfred Wood) returned the compliment on September 10, when the St. Kilda Team and Committee were his guests at dinner, as were also the R.F.C. Team and Committee. A musical evening, arranged by Mr. J. Cook, after the dinner, was very much appreciated, and a real good time was spent by all.

On September 28 the team were tendered a Complimentary Ball in the Richmond Town Hall, which was a brilliant success. On October 15, after winning the Premiership, motors were engaged and a drive to St. Kilda, where tea was provided, and a tour through the City and the principal streets of Richmond finished up a most eventful day. October 26 we were the guests of the Richmond Cricket Club, who entertained the Team and Committee at Dinner at Phair's Hotel, followed by a Theatre Party at the Tivoli Theatre. During the interval, through the kindly courtesy of Mr. P. F. Crawford, the manager of the Tivoli Theatre, an opportunity was afforded for Mr. Jo Smith, on behalf of the Richmond Furnishing Company, to make a presentation to the Club of a magnificent tiger skin, in appreciation of the winning of our second Premiership. When the curtain rose on the victorious team grouped on the stage, and the famous tiger skin displayed in the centre, it formed a most effective tableau, and the crowded house showed by their enthusiastic applause their approval of the setting. To Mr. Jo Smith and his enterprising firm we tender our grateful thanks for their unique and splendid gift, and to Mr. P. F. Crawford, who made the opportunity for the presentation to take place upon the Tivoli stage, we hereby convey our thankful appreciation of his kindly courtesy and consideration. On November 15 the Ladies' Committee provided the winding-up of the season with a Complimentary Ball to our Players and Committee in the Richmond Town Hall—another brilliant success—a very large number being present and everything going like clockwork under the skilful management of our hostesses. Those who did not enjoy themselves must be classed as pessimists of the first grade. Great credit is due to the ladies for the way in which the arrangements were carried out, nothing being left undone that would minister to the comfort and enjoyment of the guests, and we have placed on record our recognition of the high honor bestowed on the Team and Executive in inviting us to be present on that occasion. During the evening the Mayor (Cr. M. M. Joyce), on behalf of Mr. Oscar Mitchell, of Bridge-road, presented Mr. "Hughie" James, as the winner of the "Best Player for the Season" competition, with a magnificent "cup," suitably inscribed; and the President (Mr. Alfred Wood), also on behalf of Mr. Mitchell, presented "Max" Hislop and "Jimmy" Smith each with a handsome and valuable lamp-shade. On behalf of the Ladies' Committee, "Barney" Herbert (who announced his intention of retiring) was the recipient of a pair of very ornate gold sleeve-links. During the evening Mel. Morris also received from a lady member two splendid additions to his poultry farm.

Donations, Trophies, Etc.—Australian Knitting Mills, two dozen jerseys as uniforms for team. Bosisto & Co., "Parrot brand" eucalyptus oil for training-room for whole of season. Mr. D. Stewart, training requisites, value £5/5/-. Ladies' Committee, framed enlargement of, from members of same. "First Ruck," framed enlargement, from C. Hall, B. Herbert, D. Moffatt, G. The Committee gratefully thank all of the above-mentioned, and the following allotment of prizes has been made:—The President (Mr. Alfred Wood) will present a trophy, value £10/10/, to our Captain (D. Minogue). Mr. J. R. Molyneux's gold medal, C. Nott; Mr. P. D. Scriven's prize to Vic. Thorp; Mr. F. Dowling's prize to B. V. Herbert; Mr. W. McMinn's prize to N. Turnbull; Mr. J. Shand's prize to H. Moffatt; and prizes value £2/2/- to each of the following:—G. Bayliss, N. McIntosh, H. James, E. Taylor, S. Morris, R. Carew, M. Morris, R. Weatherill, D. Don, G. Weatherill, A. M. Hislop, J. Smith, F. V. Hughes, C. Hall, F. Harley.

Retirement of B. V. Herbert.—After a long period of yeoman service in the ranks of our players, "Barney" has decided to retire from the playing arena—a fine, fair, manly player, respected and esteemed by friends and opponents, he leaves the game to which he has been a credit and an ornament with the best wishes of all for his future welfare; he will still take a keen interest in the doings of the "Tigers," and is a candidate for selection as one of the General Committee. A Testimonial to his worth and ability is being organised and will be presented during the coming season.

To The Members.

Ladies and Gentlemen,—The football season of 1921 was another memorable epoch in the history of our club. In fact from the report of season 1920 reads: "We have every reason to anticipate that the same undaunted spirit that raised us to the top of the Premiership list, will still be a dominant factor in keeping us there." This prophecy has been fulfilled to the utmost; it undoubtedly was the undaunted spirit of our team in those eventful final and Grand Final games that was the dominant factor in our great victories over the powerful and (up till then) all conquering Carlton team. Starting off with a loss against Carlton at the opening of the season on our home ground, our team, during the first half of the season, did not play up to their best form, several of our wins being by very narrow margins, and although we only lost two games out of the first eight played, some of our sporting press writers could not see us even as a possibility for Premiers, and were very dubious indeed about our chances as one of the "Final Four," and in some quarters the V.F.L. Premiership of 1921 was very early in the season handed over, "lock, stock and barrel," to Carlton, who at that stage of the competition were playing very fine football indeed. However, these prophecies of woe (as far as we were concerned) did not disturb the equanimity of your Executive, who, realising that League Premierships are not won in newspaper columns, were content to keep going without any hysterical bustle or excitement, knowing what our boys were capable of once they struck form. We had the "goods" and knew it. Others we knew were reckoning without their "Tigers." Then the team began to play in something like our form of the previous season, and, improving every game, were in splendid fettle for the deciding contests. The first semi-final against Geelong we won rather easily, the lads from the "Pivot" failing to play up to their usual standard of excellent football which had gained them a place in the Finals, and they were evidently a bit "off" on the day. The Final against Carlton we won by eight points. This was an extra-ordinary match, the last half being played under conditions never witnessed before. During the half-time interval a violent storm raked, covering the M.C.C. Ground with hail-stones to a depth of, in some places, six inches. When the ball was bounced the ground appeared to be covered with snow, in the midst of which the players slipped and skidded and slid and waded. With a dry ball and a fast ground we had held Carlton rather easily in the first half, and finished the term with a substantial lead of thirteen points, and were playing a splendid systematic game. Under the altered conditions the Carlton players were better suited; they undoubtedly had us rattled in the third quarter, kicking 5 goals and 4 behinds, whilst 3 goals bare was our tally, leaving us three points to the bad—a clear gain to Carlton of sixteen points on the quarter. Then our lads rose to the occasion and, putting in a typical "Tiger" finish, scored 2 goals and 2 behinds for the term and keeping our opponents down to a score of 3 behinds only in the quarter, we won our first game for the season against Carlton by eight points. We had to meet Carlton again in the Grand Final, and, after one of the most strenuous and exciting finishes ever witnessed in League Finals, we again triumphed by the narrow margin of four points only. It was not the winning of the game alone, but the manner in which it was won that sent the "Tigers" frantic with delight. The game was won by sheer grit and determination against a big, powerful, skilful team, flushed with the success of holding at the half-time interval what appeared to be a winning lead of thirteen points. During the first two quarters the Carlton boys certainly played a far better game than our team, and looked like going on to an easy win. Then it was that our lads, making a supreme effort and realising that it was a veritable "do or die," "now or never," played superbly in the third quarter and, scoring 2 goals 1 behind to 2 behinds only, were only two points to the bad at three-quarter time. The last quarter—who will forget it? A struggle of the Titans indeed it proved to be, and as each strove for supremacy, slowly but surely we beat the defence of the "Blues" down and gained the lead and KEPT it, all the efforts of the mighty Northmen, attacking time after time, being repulsed by our gallant defenders, who, fighting the foemen back to their own citadel, pressed them back on their defences repeatedly. The cheering and excitement of the huge crowd of spectators was tremendous as charge was met by counter charge, rally by repulse. Not a man on either side faltered—two minutes to go, only four points difference between the teams, and the Premiership the prize! And as the timekeepers ticked off the seconds the excitement of the players and onlookers rose to fever heat, amidst which the final bell rang down the curtain on the football season of 1921, with the good old Yellow and Black once again at the top of the Premiership list. To our gallant opponents in the fight for the flag (Carlton) we extend our congratulations on the splendid contest they put up; they went down fighting it out to the very last. We also congratulate the Geelong Club on again winning through the first round to their place in the Finals; also to our doughty neighbors, Collingwood, we give our compliments in once again adding to their marvellous record of places in the Big Four. Once again it was the evenness and consistency of our team that won through all opposition to a successful ending. Dan Minogue, captain and coach, left nothing to be desired in either capacity, and Max Hislop, vice-captain, very ably assisted his skipper in every possible manner. The training-room staff, skilfully directed by Joe Stokesberry, had the team trained to the hour and in splendid condition for their hard task in the Finals.

Long-Service Certificates—Max Hislop (vice-captain), Donald Don, "Jimmy" Smith and Bob Weatherill, each having now completed five years in our colors, will receive certificates at the Annual Meeting.

Life Governorship of Melbourne Hospital.—In connection with the Charity Vote of the League, "Barney" Herbert has been elected to that position by your Committee.

Obituary.—It is with the deepest regret that we have to record the death, after a long illness, of our esteemed former President, the late Hon. Frank G. Tudor, who passed away early in the year, respected and mourned sincerely by all who knew him. Mr. Tudor, who was an enthusiastic supporter, filled the position of President for ten years, from 1908 to 1918, and did everything in his power to further the Club's interests, and, although confined to his room, maintained the keenest interest to the last, being one of the first to send congratulations when we secured last season's honors. A real "white" man, he will be sadly missed, and his regrettable death in the prime of life is a sad loss, not only to our Football Club, but to the community in general. To Mrs. Tudor and family we extend our deepest sympathy in their dark hours of sorrow and bereavement. A former Vice-President, the late Mr. Tom O'Brien, who also died early in the year under very sad circumstances, was with us for only a short period, but made himself very popular during his term of office and was a good worker in the Club's welfare, and his tragic death at such an early age is very sincerely regretted. We tender our deepest sympathy also to the family and relatives in their great bereavement.

Richmond Juniors.—Our "understudies" have gone ahead fast last season, and only missed inclusion in the Juniors' Final Four by the proverbial whisker. They won a good proportion of their games and shook the very best of their opponents up when playing. Mr. A. R. Lewis, their energetic hon. secretary, and a real live committee kept things "jigging" right throughout, and the Juniors are now proving of great assistance to us in keeping our players up to concert pitch. We congratulate them and their enthusiastic coach, "Checker" Hughes, upon the large measure of success achieved during last season.

Richmond Cricket Club.—As usual, our Cricket friends have helped us in every way possible throughout the season, and their representatives on our Committee, Messrs. H. Richardson and D. Stewart, have worked splendidly in our interests.

Thanks of Committee.—We feel very much obliged to the following for the valuable assistance they have given throughout the season:—Dr. D. Rosenberg (attention to injured players), Messrs. W. Driver and C. Mann ("First Aid"), Mr. W. Baker (Timekeeper), Mr. D. Beck (Masseur), Mr. A. Larsen (Shampooer), Messrs. W. I. Bicknell and H. J. Gill (Press Correspondents), Messrs. T. Delaney and H. Lisle (Room Stewards). To our very good friend and candid critic, "Robbo," of the "Richmond Guardian," our very best thanks are due for the splendid reports he has given of our games, and the way he has kept the doings of the Club to the fore in the columns of the "Guardian." His "poetry" also is very much appreciated by those members in quest of the bizarre in literature.

Delegates to Victorian Football League.—Messrs. W. A. Maybury and H. R. Palling again filled these positions on the ruling body, and carried out their duties in a satisfactory manner. Mr. Palling was appointed Manager of the Representative League Team that went to Bendigo on August 6, and proved a big double success in that capacity by giving his charges a real good time and bringing home a victory.

Players in Representative Match.—The Yellow and Black colors were well to the front during the season in Inter-State and Carnival games, as the following list shows:—Carnival Games: West Australia, August 6 to 13—M. Hislop, V. Thorp, J. Smith. Versus South Australia at Adelaide—S. Morris; also in return match at M.C.C. Ground, August 13—S. Morris. Versus N.S.W., M.C.C. Ground, August 6—R. Weatherill, C. Hall. Versus Bendigo at Bendigo, August 6—G. Baylis, N. McIntosh. Versus Ballarat at Ballarat, August 13—D. Don, F. Hughes.

Can We Do the "Hat Trick"?—We have now secured two League Premierships in succession and, like Oliver Twist, are looking for more, and your Committee have every reason to trust to a continuance of success, as, with the exception of "Barney" Herbert, all of last season's team will be available. Given average luck, we can predict another successful year for our Club, with every hope of adding a third Premiership to our list at the close of the Football Season of 1922.
